**Re: Payment of the Issue Fee & Publication Fee**

Application No.: 10/598,516

Assignee: DAINIPPON SUMITOMO PHARMA CO., LTD.

Due Date: None

Dear Mr. Naganuma:

The Issue Fee and Publication Fee for the above-identified application were paid in the United States Patent and Trademark Office on August 27, 2009. Enclosed are two (2) copies of the papers as filed in the U.S. Patent and Trademark Office.

Per your letter of October 29, 2002, we understand that Computer Patent Annuities will be responsible for payment of maintenance fees. Accordingly, we will not be sending reminders for maintenance fee due dates. We filed the Fee Address Indication Form on August 27, 2009, concurrently with payment of the Issue Fee. Also, to avoid a loss of patent term adjustment which would have resulted from the filing of a Rule 312 Amendment, we plan to request a Certificate of Correction to correct the reactant name in Reference Example 37 as requested in your letter of August 6, 2009 (the change was made in the divisional filed August 26, 2009).

We will continue to keep you advised of further developments regarding this application, and we thank you for allowing us to be of service.

Very truly yours,

*for*
